Chili with Pepper Cheese

Recipe created by Tracey Shepos on lacrema.com

1 1/2 ounces chili powder
1/2 cup grated Pepato cheese
1/2 teaspoon cocoa powder
2 tablespoons oregano steeped in
3 tablespoons olive oil
2 teaspoons cumin
2 lemons, one zested and one cut
8 sprigs oregano, leaves picked
Salt and pepper, to taste
(1/2 cup packed)

Perfect Winter Pairings

- Classic Heart Chicken and
La Crema Sonoma Coast Chardonnay

Tender, juicy chicken is incredible with light to medium oaks. It is perfect for a light meal, allowing the wine to shine through. The flavor profile of the Chardonnay is buttery, creamy, and has a slight acidity that pairs well with the chicken's mild flavor. It's a classic combination that never fails to impress.

- Fruitful White Napa Valley Chardonnay and
Edmeades Chenin Blanc

Winter Gardening is for the birds

The bright berries of the American holly are a favorite food source for many types of birds. Chickadees, nuthatches, cardinals, robins, and bluebirds enjoy holly berries. We also have eastern towhees, fox sparrows, and white-throated sparrows, which prefer the boughs of American holly.
